

Happy St. Patrick's Day

March is the final month of our winter season when many of our friends will begin their migration to their homes in the colder and wetter climates of the north. This is also the time when the desert begins to bloom with countless wild flowers and beautiful cactus blossoms.

Although this is the final month of our season, Easter Dinner will Be April 8th at 1:00 PM. The park will provide hams and the residents will sign up for the side dishes. On Friday, the 6th, we will have an egg dying party.

Many activities will continue throughout the summer for our year-round residents.

Spring is not the best of seasons.
Cold and flu are two good reasons;
wind and rain and other sorrow,
warm today and cold tomorrow.
